JUNE 2018

IMPORTANT: SMOKE-FREE LEASE ADDENDUMS ARE DUE JULY 30, 2018

Please do not forget to turn in your signed smoke-free lease addendums. Addendums are available at the Office for pick-up. All residents must comply **no later than July 30, 2018**. If you are interested in quitting, please come to the Office for smoking cessation information.

Causing damage to other vehicles could result in you paying for the damage. **BE CAREFUL!**

JUNK MAIL

When gathering your mail, please do not leave the junk mail you received on the top of the mailboxes. The wind blows it off onto the ground causing a huge mess.

ILLEGAL DUMPING

The Livermore Housing Authority has had an increase in non-residents dumping their trash in and around our dumpsters. Our dumping fees are increasing weekly due to this illegal activity. We could identify them with a license plate number. If you notice this happening and are able to obtain a license plate number safely, that would be helpful.

NO LITTERING

We have had several complaints from our neighbors on Rose St. and Jensen St. regarding trash and debris being thrown out of parked cars. Please take your trash with you, don't leave it in the street.

SMOKING OUTSIDE OF THE COMPLEX

It has been brought to our attention that several residents are smoking on the corner of Jensen St. and on the corner of Rose St. Please be mindful of where you smoke and where your smoke is drifting. We have received complaints from the residents who live next to and close to these areas that they cannot open their windows or doors without smoke entering their homes. **Place cigarette butts in trash bins!!!**

NOISE LEVEL

Summer is here, and some residents will want to open their doors and windows to enjoy the weather. Please ensure that your music and televisions are kept at a reasonable sound level. If someone walking on the sidewalk can hear your music, television, or voices from your apartment, it would be considered too loud.

GRAFITTI ON PROPERTY

We have had sporadic graffiti throughout the property. If you notice any suspicious activity, please report it to the Livermore Police Department by calling their non-emergency number at (925) 371-4900.

PEST SPRAY CHARGE

As a reminder, the LHA will start charging residents who do not cancel their pest spray appointment within a reasonable time frame.
